A.S. Watson Group has been supporting Hong Kong people for 180 years. Through Project LOL philanthropy programme, we are committed to bringing love and smiles to those in need. In such an unprecedented challenge, we feel the need to help the less-privileged even more important than ever and "Future Stars – Upward Mobility Scholarships" enable us to help the grassroots youth get through the tough times.

We are glad that Ms Tsang, our Future Star is striving towards her personal goal with a thankful heart. We wish that all our Future Stars will work hard to equip themselves for the future, and give back to their family, teachers and the society, passing on love and care to others.

首先,我需感謝屈臣氏集團的慷慨贊助,使我能夠得到這份榮譽,在努力的過程中得到一份肯定。上游獎學金給予我一個更大的空間去尋覓自己的目標及興趣,真的萬分感激。

其次,我能夠得到這個榮譽,必定需要感謝我的父母。一個每天早上五時起床上班,晚上接近九時才回到家中的爸爸;一個經常擔心我身體狀況,進食情況的媽媽,感謝牠們說話盡在不言中,在此答應你們,我一定要成為一個上進,努力,勇敢的人。

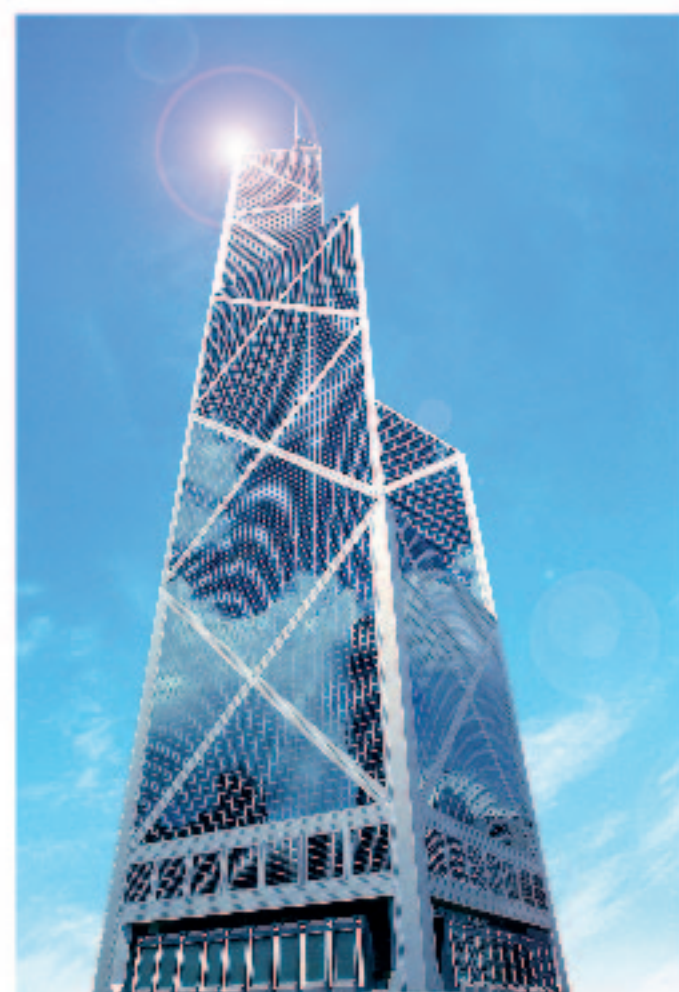

再者,我亦需要感謝每位曾教導我的老師。雖然有的老師很嚴厲,經常批評我,讓我的自尊心受挫,但讓我明白自己不應該躲在舒適圈,要自視自己的不足,繼而激發鬥心,奮力改進。一切一切都使我成為更完美的自己。

最後,感謝一直陪伴我追尋目標的每位,讓我不感孤單。這些話我甚少說出口,但在此,希望你們都能感受到我誠懇的感謝。

## Bank of China (Hong Kong) Limited

Bank of China (Hong Kong) is committed to realising our vision of "promoting long-term balanced regional development and jointly creating a better society" by conducting our business in a sustainable and responsible manner. We attach great importance to the interests of stakeholders and to our economic, social and environmental impact, and always strive to promote sustainability.

Education is the cornerstone of society and has a profound and decisive impact on sustainable development. We place strong emphasis on children and youth development, helping to nurture the future pillars of society by cultivating the virtues of ethics, intellect, physical health and aesthetics.

We are also committed to providing a platform for young people to realise their potential and achieve their dreams. The "Future Stars – Upward Mobility Scholarship" offers golden opportunities to young people who have shown a positive attitude and persistence in the face of adversity to achieve social mobility, which is in line with BOCHK's commitments.

We hope that all of the winning students will truly feel society's care and continue the inheritance of this positive energy by building a better future for Hong Kong and contributing to the motherland.

I am very happy to receive the "Future Stars - Upward Mobility Scholarship", which is a recognition of my efforts and perseverance. The scholarship also allows me to have more life and learning opportunities.

I will use a part of my scholarship to purchase a walking aid. As the walking aid is very expensive, the scholarship will help to lessen my parents' financial burden. Having my own walking aid increases the duration of my walking training which, in turn, will help to delay my muscle degeneration from long-term wheelchair usage, much to my parents' relief.

I will also use a part of my scholarship to get audio or 3D books, which give me much joy and surprises. My parents will read with me which enhances our parent-child relationship. Reading also helps to improve my ability to express myself for better social interaction.

Being awarded this scholarship strengthens my belief that you will be awarded for your perseverance. I am grateful to be recognised for my efforts and for the improvements this scholarship brings to my learning and well-being.

The aim of the “Upward Mobility Scholarship” is not merely to assist less privileged students in their basic schooling, which is already provided for by the government. Rather, the scholarship serves to provide some means for our young people to develop their talents and enrich their lives, so that they can build up their confidence, play out better in their future and become “Future Stars”.

To cultivate our younger generation takes years of hard work. It is a very meaningful job and I am happy to play a part in it.

I am honoured and thrilled to be selected from numerous applicants for the Upward Mobility Scholarship. I am most grateful to Dr. C.B. Chiu for your donation, which gives me a deep sense of warmth from our society.

Being awarded the Upward Mobility Scholarship is of a great significance to me. Not only is it a form of financial support, it also brings me a sense of comfort and nourishment. With your blessings and support, I will turn your inspiration into my motivation, and move towards my goal with perseverance. I will make good use of my scholarship on economics and mathematics tuition classes to lessen my family's financial burden. I will equip myself well, build myself a solid foundation and strive for good exam results to study surveying at The University of Hong Kong.

I sincerely thank you again for your support and encouragement, which I will keep close to my heart. I will work hard to fulfill my dreams with a humble and grateful heart, and give back to those in need and spread love in our community.

The first impression Kate gave me was of a humble, polite, confident and competent young lady. When I get to know her better, she strikes me as a disciplined girl who demands highly of herself, possesses clear goals and ambitions and has a positive mindset. I was further touched by her sense of responsibility, gratitude and willingness to give back to our community as shown in her sharing.

I hope that Kate will hold fast to these values, and live and enjoy life to the fullest.

With a steadfast will to devote its surplus to society and to achieve greater benefit for all, the Glorious Sun Group established "GS Charity Foundation" in 2005. Dr. Charles Yeung, Founder of the Glorious Sun Group, cares very much about youth development, and has set up award schemes in schools in Mainland China to encourage students to adopt the attitude of "One Heart and Three Willingness" (be responsible with a heart and not afraid to suffer, not afraid of hardship, not afraid to learn), and implement "Three Good and Three Kind Deeds" (have a good heart, say good words and do good deeds at home, at school and within the community), which create a positive influence.

We wish that in face of difficulties, our "Future Stars" can adopt the attitude of "One Heart and Three Willingness", and trust that they will become "Stars of Hong Kong" to enhance the development of our society.

首先，我要感謝獎學金贊助人對我們的支持，給予我們資金的援助，使我們有能力追尋自己的夢想。能夠獲得「明星之星——上游獎學金」是我的榮幸，在眾多的提名學生之中能獲得評判的賞識，實在難得。今時今日，香港受到疫情的影響，社會的市道未如理想，不少人對健康及工作都抱有極大憂慮。這一筆獎學金對於我而言是一枚「強心針」，讓我能在此惡劣的疫情下專注學習，不必憂慮三餐溫飽的問題。在獲得獎學金後，我會好好善用它們。受疫情影響，我或未能參加遊學團去開拓自己眼界，但我會把部份獎學金用在支付書簿費，以減輕家人的經濟負擔。在未來的日子，我將會努力學習及溫習，以應付下年四月的文憑試，並希望能在考試中獲取佳績，令我在日後投身社會後就回報他人對我的支持。

As St. Ambrose was once quoted, “no duty is more urgent than that of returning thanks.” I am humbled and honoured by my sponsor’s generosity and thank them deeply for hearing and recognising my needs, along with the other students who will surely benefit from the program. I am excited to use my scholarship and attend Mandarin classes this summer to continue improving my Chinese speaking skills. To date, Mandarin is one of the most spoken languages in the world. Having 1.2 billion native Chinese speakers means being able to intimately connect and learn from 1.2 billion people. From a C grade last year, I received an A last semester. But I do not want to limit my improvement within the classroom. I would like the ability to express my ideas and the fullest extent of my identity in Mandarin. With the generosity of my sponsor, I am confident that I will be able to achieve this goal. Aside from practical usage, I am also grateful that I can give back to my single mother who works very hard to keep me optimistic and excited for the future. So far, chores and good grades have been the only way I’ve shown her my gratitude. Thank you for giving me a chance to do a little bit more and get her something special. Receiving this scholarship is not only helpful pragmatically, it is a validating encouragement that reminds me that my dreams matter. And as long as I work hard, I can count on what matters to come true. Thank you for empowering my immediate and long-term needs. Lastly, I would also like to extend my thanksgiving to the Future Star Programme for putting together such a meaningful scheme. I will continue to work hard and treasure the opportunity to learn and dream.

I am very grateful to the Henderson Land Group for their donation of my Upward Mobility Scholarship, which encourages and supports me to continue to strive for the better.

When I was in my junior secondary years, I was quite rebellious and often hung out with my classmates till late at night. I could not concentrate and often fell asleep in class, oblivious to the criticism from my teachers. My grades declined quickly which annoyed my parents.

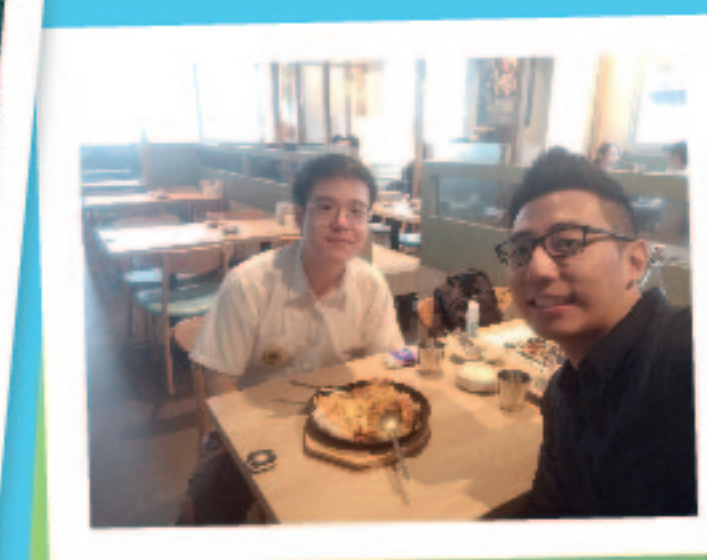

I had a complete change of attitude when I was in Secondary Three. A classmate suggested that I joined their volunteering team. Volunteering strengthened my self-confidence and I became more willing to communicate with strangers. My ability and self-esteem also improved. I became more motivated and came to realise the importance of setting goals and strategy to facilitate smooth implementation of projects. I also learned to care for others with compassion and love.

I get to improve myself because of the love and opportunities other people gave me. I hope that other people can have the same. I will strive to be a caring teenager with love for oneself and for others. I will work hard for my DSE exams and further my studies and professional knowledge in chemistry or physics. I also want to continue with volunteering to give back to my school and the society, and to create a more meaningful life for myself and others.

I will make good use of the scholarship monies to improve myself with English tuition classes, and strive hard for the DSE exams and for my future.

This is my first year participating in the “Future Stars Mentoring Programme” and I believe it is beneficial and meaningful both for me and Alan.

On the one hand, I have been trying to enlighten Alan regarding his thoughts on higher education/career path by sharing with him, with my personal network, and my experience on different issues. In return, Alan also broadened my horizons on the creativity of the younger generation and, in particular, his persistence towards his goal. I really appreciate that a lot!

With the advice and encouragement rendered to Alan throughout the Programme, I hope he can continue to strive for excellence academically, maintain his positive attitude and have fun with his extra-curricular activities!

非常感謝「叙福樓集團及株式會社有限公司」贊助我「明日之星-上游獎學金」。得到獎學金對我有很大的幫助和鼓勵。

在生活上，家中比較貧困，讀中華廚藝以外時間都需要打工，賺取自己生活費，有時都會感到生活上的壓力令我非常氣餒。好感激在我最需要人幫助的時後「明日之星-上游獎學金」真的為我雪中送炭。有你們的支持讓我對廚藝有更大推動力。我不會辜負大家的期望並繼續努力。

我會利用這獎學金購買家中欠缺的廚房用具，知道自己對廚藝刀工不足，日後我會在中華廚藝學院和家中都要不斷努力煮更多不同菜式，目標做一個出色的廚師。最後再次感謝叙福樓集團及株式會社有限公司贊助。

很高興能在「明日之星-上游獎學金」計劃中獲獎。我非常感謝學校提名，給予我這個寶貴的機會。在完成中學文憑試後，我便找了一份兼職。這段時間，我深深地體會到，每一分錢都是來之不易。從小到大，我之所以能一直專注在學業上，是因為父母守護在前面，替我負重前行。父母每天辛苦工作，為我供書教學，我將把獎學金的一部分，為他們買一些禮物，盡一份作為子女的責任。

同時，我亦深知父母最想看到的是望子成龍。我會將剩餘的獎學金，購買「STEM」類別的書籍，繼續進修自己，為日後上大學選修工程相關的科目打好基礎。這一筆錢，不僅激勵我繼續努力向學，更加諸於我身上一份責任。取之於社會，當用之於社會，將來我一定會好好回報社會。

I have great interest in Western dessert making. Unfortunately, I am unable to attend classes for it, which are pretty costly, with the financial situation of my family. This scholarship assists me financially, which I will use for patisserie classes. I will continue to work hard for my studies and dessert making skills to achieve my goal as a pâtissier. There is always someone in need somewhere in the world. What we can do is to extend our helping hand to support our young people in times of need and help them unleash their unlimited potential. By giving them a pat in the back and arming them with confidence, we are giving them much needed encouragement on their road to success. I feel that these meaningful and constructive acts are part of our social responsibility.

Our student awardees showed confidence in striving towards their goals, positivity in moving upwards, and appreciation of the love they receive and determination to give back to the community in the future. Their sharings truly touched me.

As a member of Hong Kong, I would like to thank the Commission on Poverty under the Chief Secretary for Administration's Office for launching the "Future Stars – Upward Mobility Scholarship" programme to support and help cultivate talented young people for our society.

首先，本人十分感謝贊助方決定在贊助上將獎學金撥給我，機會難得獲得獎學金。由於出現經濟問題，沒有充裕的資金供我作額外的學習用途，故此本人十分感恩能有幸獲得獎學金。對我而言獎學金不僅是金錢上的援助，更成為我學習的動力，鼓勵我努力學習，所以本人定必有效地運用獎學金提升自己的學習表現，不辜负獎先生的善意。另外，我亦會把感恩銘記於心，期間日後有能力之際能夠仍效謝先生，秉承謝先生的善心，贊助獎學金予有需要同學、師妹，為他們帶來希望，以回饋母校。並除社會上捐款和做義工傳遞正能量，使更多經濟困難的人能夠得到更多鼓勵與幫助，回饋社會。最後再一次衷心感謝謝先生慷慨解囊贊助上將獎學金。

Youths from the "Future Stars Mentoring Programme" mainly come from grass-roots families, with whom I share empathy as I also grew up in a public rental housing estate. But I also realize how my experiences may differ from theirs in these changing times. Participating in this programme provides me with more opportunities to interact with youngsters. It also enables both mentees and mentors to broaden their horizons through friendship and interactions.

My mentee Coby is a self-motivated girl with high expectations of herself. During the epidemic, she could only acquire learning online. The extra effort spent on self-study and the tight schedule for the upcoming DSE could make her feel frustrated.

I shared with her my own tactics and tips for sitting public examinations, which I hope could help her tackle her DSE exam.

Coby is outstanding and she aspires to become a medical professional. I wish her good luck and every success in future.

I am truly grateful to the organiser and my sponsor, Mr. Tang Yau Choi, for awarding me with the "Future Stars – Upward Mobility Scholarship" 2020, which served as a big step toward my goal.

When I first came to Hong Kong, the environment and language looked and sounded so foreign to me, and I found it very difficult to adapt to the culture and the way of learning. My mother worked long hours every day and did not have time to be concerned about my studies. I also avoided communicating with my classmates for fear that my non-native Cantonese would be jeered at. I felt confused and frustrated with all I had to go through. With the helping hands my teachers and classmates extended, I gradually regained my confidence and positivity and now find my studies more manageable.

With my regained confidence, I work hard and aim for peak performance at all times. I will make good use of my scholarship to enroll into English courses and purchase materials to improve my English for my DSE exams. I hope to be admitted into university for enrichment of knowledge and broadening of horizons. I will contribute to the society after graduation and will uphold Mr. Tang's spirit of "promoting harmony, filial piety and morals."

I would like to thank Mr. Tang and the organiser once again for this invaluable opportunity, and my parents and teachers for their continuing cultivation and nourishment. I will always bear them in mind as a driving force to work harder!

我好高興有幸獲得這個獎項，感謝上游獎學金贊助人——香港中國企業協會讓我有這個機會獲得「明日之星-上游獎學金」，也期望可以對贊助人有更深的認識。我希望自己能好好運用這筆獎學金，我會把一部份的獎學金交給我的母親，減輕家裏的經濟負擔，為家裏出一分力。同時我好榮幸獲得這個獎項，能讓我有機會及更多的資源擴闊自己的視野，我希望能使用這筆獎學金學習更多知識、報讀一些課程，例如我的英文成績不太理想，這筆獎金能讓我報讀些英文課程，從而提升我的英文能力！再者我可利用這筆獎金用於其他我想學習的範疇，例如藝術方面，人與人之間的溝通、協調及領導能力的培訓等……從而透過這些擴闊視野的機會好好充實自己，使自己有更高的成就。

I am happy to have participated in the "Future Stars Mentoring Programme" a few months ago. It is a very pleasant experience to be able to meet a group of like-minded mentors, whose passion is not dampened by the COVID-19 pandemic. The next biggest gain is that I get to know my mentee. Although we cannot meet each other face-to-face because of the epidemic, we have become great pen pals where we can talk freely and with much depth. I believe it is easy for us to build rapport as we both are from Yuen Long! My mentee works very hard in school and for her family, which gives me a new perspective of our younger generation who strives hard to achieve excellence. Not only do we walk together and care about each other, we also learn from each other through our sharing of day-to-day experiences.

I am most grateful for the generosity of The Hong Kong China Enterprises Association for sponsoring my scholarship. I will make good use of my scholarship to improve myself and live up to the expectation of my sponsor.

I come from a disadvantaged family and with my father's passing two years ago, my family is faced with financial hardship which makes my continuation with tutorial classes impossible. This scholarship provides timely relief to support my studies, which I will use for English tuition classes. I hope that I will be able to apply what I have learned in communicating with friends from other parts of the world.

Under the Programme, I am also paired with a mentor who is a professional lawyer. My mentor shares with me professional knowledge and experience from her field which is truly eye-opening. The "Future Stars Mentoring Programme" is of great benefit to my life planning, providing steer and helping me establish a better understanding of my future path and career choices.

## Ms. Esther Leung

Mentor of Li Lik Hang

I am very happy to have the opportunity to participate in the Future Stars Mentoring Programme. I believe that young people are our future. Being a mentor not only gives me the opportunity to encourage and assist them in their life planning, but it also enables me to understand young people better, keep up with the changes and make myself a better person. I hope that by caring for young people and helping them broaden their horizons, I could help them explore more possibilities such that their future path could be smoother. I am very happy to have John as my mentee. He is a very hardworking young man with a clear vision for his future. As the saying goes, "Chance only favours the prepared mind". John definitely has the right attitude to lead himself to the road of success.

The Programme encourages students to face difficulties and stress with a positive attitude, and gives mentors the opportunity to reach out to youths and share their passion and love for life with their mentees, which is very meaningful. This coincides with my goal of founding the Hong Kong Society for Art and Charity to promote music volunteering. My mentees share my passion in music. I will introduce them to more opportunities and experience on the performing stage, to let them shine and fulfill their dreams in music.

楊博士：

您好！

時日匆匆，原來距離我參加這次獎學金計劃已有半年了，當初參加前我還一直猶疑不決，心想：能否如我所願達成目標呢？雖然未能預知，人總是要嘗試的，於是便參加了。決心要做到最好。

今天，收到獲獎的通知，最能表達我的話便是感謝，想深一層，這會是我在中學生涯的一支有力的強心針，排除掉了我對自己的各種猜疑，能令我得到幫助和獲得身邊的人的肯定，不過最重要的還是我對自己的肯定以及認可。

知道楊博士本身也是位音樂人，在音樂方面也會有更多的共鳴，所以在這學期我要令自己更努力，我會將獎學金放在鋼琴的學習如考試費用，希望在未來我們都能在音樂、學業或事業都能更上一層樓。
