Looking Forward

The 2014 “Future Stars” programme has received encouraging response from over 200 organisations of different scales from a variety of industries, as well as individuals from all walks of the community. Their dedication, combined with the effort of the social welfare sector, bring out the full potential of tripartite collaboration among the community, businesses and the Government in encouraging and assisting our youths to plan for their future.

Our sincerest gratitude goes to our supporters, and we look forward to your support in the coming two years of the programme.

If you would like to support the “Future Stars” programme, please contact us —
