Meanwhile, the Sham Shui Po CLR hosted a five-pointed star ornament workshop under instructors' guidance. Members created three-dimensional star ornaments. The five-pointed star is a significant symbol of our national flag. These five-pointed star ornaments symbolise the unity of the Chinese people and community-wide participation in the celebration of National Day.

Member of CLR (A):

I came to make these five-pointed stars today.

Member of CLR (B):

We joined this workshop to help our children understand the meaning of the five-pointed stars of the

national flag. We need to hold their hands to help them understand our nation and feel true love for our country.
